Interactive Multimedia Technologies, Inc.

Since 1996, Interactive Multimedia Technologies, Inc. (IMT) has been providing technology solutions to the convention and tradeshow industry. Our original product was a touchscreen Message Center kiosk allowing attendees to communicate, network and learn more about the exhibitors, sessions and information about the conference.

Over the past two decades, IMT has continued to expand its offerings as technology has skyrocketed. Whether it be a Cyber Café, Locator Kiosk, Mobile App, Mobile Charging Station or custom software application, IMT has the solutions you need.

IMT has worked with hundreds of tradeshows in a broad range of industries. Our focus has always been to provide the latest technical innovations to empower participants to maximize their convention experience. We also understand that exhibitors are looking for creative ways to communicate their products and services to a target audience which is why we always provide exceptional ways to provide outstanding sponsorship opportunities!

Tradeshow managers always appreciate IMT successfully merging these needs to enhance the overall effectiveness of the event for everyone.

Mobile Apps

Our mobile apps are *simply amazing* and like all of our products, they are **fantastic for sponsorship!** Your attendees will love how easy it is to use and impressed with the richness of content. The possibilities are limitless. IMT will work with your team to design a beautiful app customized with all the features that you want.

A few of the features include:

- Attendee Networking
- Speakers and Session Information
- Exhibitors and Floorplans
- Audience Response
- Gamification (custom contests)
- Session Feedback and Surveys

Information Kiosks

IMT can deliver a complete turn-key touchscreen kiosk and custom software solution to provide your attendees with exhibitor and session information, maps and floor plans and handouts. Sponsors will love the promotional possibilities, as well.

IMT Mobile Apps

IMT can provide your conference with a powerful mobile app allowing participants to network, view exhibitor and session information and handouts. Let IMT customize an app for you!

Information Kiosks

Secure Charging Lockers

Our Mobile Charging Kiosks provide users with **Fast and Secure** charging of their mobile phone, tablet or iPad. In addition, they provide an **Excellent Sponsorship Opportunity!**

Each kiosk has full multimedia capabilities and can rotate videos and graphics for sponsor(s) to promote their products and services to a target audience!

In addition, each user can create a unique 4-6 digit pin code to access their locker providing a truly secure and "stress-free" charging experience.
